Surprise Attacks by French.

The day statement said: North of the River Somme the night

passed quietly.

To the south of this river our troops, continuing their progress during the night in the region of Barleux, captured a line of German trenches situated between the village of Barleux and La Maisonnette. We took a total of 950 able-bodied prisoners in this of 250 able-bodied prisoners, in this sector yesterday and last night.

In the Champagne district, two surprise attacks by French troops resulted successfully. One was to the southeast and the other to the west of Tahure. To the west of Butte de Mesnul we delivered two attacks upon a German tranch which we occurred and German trench which we occupied and rganized along a front of about netres. Here we took ten prisoners. In the Argonne a French reconne tring party penetrated a German trench near Four de Parls which it cleaned up with hand-grenades. On the front north of Verdun the bombardment has continued in the

penbarament has continued in the region of Chattancourt, Fleury, and La Laufee. A strong patrol of the enemy had been dispersed with hand-grenades at a point northwest of Fleury. In the Vosges district detachments of the enemy attacked our positions in the region of Chapelotte at three different points simultaneously. They were, however, checked by the fire of our machine-guns, found it impossible to secure a footing, and were complete-

British Statement.

larly severe fighting has centred around Trones Wood, which is triangular in shape and measures some 400 yards from north to south, with a southern base of 400 yards, and has been strong-ly defended by the Germans with trenches and wire entanglements. On the morning of July 8, after a heavy bombardment, we succeeded in wood. Subsequently we extended our

wood, Subsequently we extended our position toward the north and drove back a determined counter attack, with heavy loss to the enemy. Yesterday afternoon, as already re-ported, two more German counter attacks in mass against our positions in the wood were crushed by our artil-lery. Again last evening the enemy bombarded the wood with all natures of armaments and launched two strong attacks against it from the east and southeast. The first of these was completely repulsed. The second succeeded in penetrating the southern end of the wood, but the Germans were at once ejected with heavy loss. Later in the night a fifth desperate attempt was made to drive us from our positions, but this also was completely crushed by our fire. The enemy's casualties in these five fruitless attacks have bee severe.
At other places on the battlefront

progress has been made. Northwest of Containaison we captured a small copse and three more guns, and this morning we have taken several hundred more prisoners. On the Flanders front the enemy's

artillery was active and heavily bom-barded our trenches near Hooge for three hours. In this neighborhood we made three successful raids into the German front line. The following official statement was

issued to-night This afternoon, after the sixth desperate attack, the Germans succeeded in entering Trones wood at the expense of very heavy casualties. The fighting in the wood continues. Further west we gained lodgment in the Mametz wood, where the ene-my's defence hitherto had resisted all

our efforts. We also gained ground east of Ovillers and La Boisselle Yesterday the Royal Flying Corps operated several successful bombing stracks against various detraining centres, ammunition depots and aero-dromes. Numerous combats occurred the air, as a result of which one erman machine was destroyed and several others were driven to the

ground in a damaged condition Berlin Tells of Hard Fighting. BERLIN, via London, July 10.—The official statement issued by the German

War Office this afternoon regarding the operations on the west front says: On both sides of the Somme fighting continues. Our troops repeatedly repulsed the enemy to his storming

positions, and wherever as the result of his closely following waves of at-tack they temporarily were forced to yield ground we quickly ejected him by counter attacks.

The Bols des Trones, for instance, which had been penetrated by the English, and the farm. La Maisonette, and the village of Barleux, which had bee stormed by French, were reconquered and consolidated against them. At Ovillers there was uninterrupted hand to hand fighting. The French ob tained a lodgment in the village of Between Barleux and Belloy their

of: repeated attacks continually broke down with the greatest losses. Further to the west they were prevented by our barrage fire from leaving their Between the sea and the Ancre and also on the line of the Champagne and east of the Meuse artillery battles were revived from time to time. Infantry

ton, east of Armentieres, in the region of Tshure (Champagne), and on the western edge of the Argonne, where French detachments were repulsed. Near Hulluch, Givenchy and Vauquois ve caused successful mine explosions

There was very lively aerial activity on both sides. Our aviators shot down five enemy aeroplanes, one near Nieu-port, two near Cambrai, two near Bapaume: and two captive balloons, one on the Somme and the other on the Meuse. Senior Lieuts Walz and Gerliet have

put out of action their fourth opponent. Lieut, Lefler, his fifth, and Lieut. Par-schau, his eighth. The Emperor has be-stowed upon the last named the Ordre

On the Eastern Front.

The following official statement re-garding the operations on the eastern front was issued by the German War Office this afternoon On the northern section of the front apart from fruitless Russian attacks in the region of Skobowa, east of Goro-dische, nothing of importance has oc-

curred. Army group of Gen. von Linsingen-Army group of Gen. von Linsingen— The enemy advancing toward the Stok-hod line was repuised everywhere. His attacks west and southwest of Lutsk were unsuccessful. German aero-plane squadrons made a successful at-tack on enemy shelters east of the Stokhod.

Stokhod.

Army group of Gen. von Bothmer—
There was activity on the part of our
patrols, which engaged in successful
encounters in advanced positions.

On the Balkan front our advanced
posts repulsed by artillery fire enemy
detachments south of Lake Doiran.

HAVRE, via Paris, July 10.—The Bel-gian War Office issued the following official communique to-night: There were lively artillery actions i different points of the front, par-cularly to the north of Dixmude and and Berthelm

oward Boesinghe.

War Office to-night follows:

Near the villages of Svidniki,
Starly Mossor and Novy Mossor, on
the left bank of the Stokhod, lively
fighting is in progress. We took German prisoners at these points. Beattempted a surprise attack, but was

put to flight.

The total number of prisoners taken by Gen. Kaledines, from July 4 to July 8, is 341 officers and 9,145 unwounded soldiers. He also captured ten pieces of artillery, 48 machine guns, 16 bomb throwers, 7,930 rifles, 62 limbers and depots of engineering materials. These figures must be added to those given in the communication of July 8, which included 200 officers.

12,000 men and 45 pieces of artillery On the Galician front there was a particularly intense artillery action on both banks of the Dniester. In the Dwina sector the enemy undertook an offensive southeast of Lake Sventen. but was repulsed and thrown back into

East of Baranovichi, in the region of the village of Odochawechi, the Germans launched a counter attack which broke down under our artillery and infantry fire.

and infantry fire.

According to later reports regarding the crossing of the Stokhod at Ugil, chief credit for the exploit must go to Col. Kautseroff, commander of the Pavlograd regiment, and chevalier of the Order of St. George. Col. Kautseroff, rushing forward at the head of his advance guards, led them across a burning bridge under violent artillery and rifte fire. lery and rifle fire.

After we had successfully crossed the Stokhod the enemy railled and made desperate efforts to maintain his positions on the left bank of the river. The fighting is continuing. In the region of the village of Ivanovka, in the Dvinsk region, enemy air squadrons dropped seventy bombs on our hospital convoys. Two sisters of charity and one Red Cross delegate were wounded.

were wounded. There were artillery duels on the Volhynia and Galicia fronts. The enemy bombarded violently our positions at Gliadki and Tzebrova.

Italian Artillery Active.

ROME, via London, July 10 .- The following official announcement was made here to-day;

the region of Tofans, on the upper Boits, our Alpine detachments on the night of July 8 with much skill and dash gained possession of a great part of the valley between Tofana Peaks Nos. 7 and 2, and of a strong position on Tofama Prima commandme the valley. The garrison was surrounded and compelled to surrender. We took 190 prisoners, including eight officers, and also three machine suns.

COALITION PLAN IS NOW ACCEPTED

Asquith's Home Rule Bill Is to Be Introduced Next Week.

ALL MEMBERS PRESENT

Settlement Already Agreed On, Except for Few Details.

LONDON, July 10 -- Announcement was made in the House of Commons to-day by Premier Asquith that the bill for the establishment of a government for Ireland on the lines agreed to by the Nationalists and Unionists would be sucmitted to Parliament next week and that the coalition Cabinet, in which there have been dissensions over the proposals, could stand sponsor for the measure and recommend its acceptance.

The bill will follow the lines which have been generally known, including the provision for the exclusion of the six Ulster counties. Military and naval forces remain under the control of the Imperial Parliament, and Judges of the Appeal Court at Dublin, establishment of which becomes necessary, will be appointed by the Imperial Government. Petrograp, via London, July 10.—The official statement issued by the Russian War Office to-night follows:

Near the control of the settlement is to be opposed to the settlement is to be opposed to the settlement. Mr. Asquith said that no specific proto be opposed to the settlement, but he said that any suggestions from them would be considered carefully. He made the important admission that inclusion of the six Ulster counties, thus uniting the whole of ireland under the Home Rule Government, could be accomplished only by the free will and assent of those cour

In explaining the Irish agreement Mr Asquith said that it was proposed that the billeshould remain in force during the war and twelve months thereafter, and if Parliament had not made further pro-vision by that time for a government of Ireland the period could be extended.
Representatives of the Imperial Exeutive, the Prime Minister said, woulhave control of the defense of the realn

To Cover All Matters. Mr. Asquith said the new bill would

contain general provisions for the exclusive authority of the Imperial Parlia-ment and Government not only for the navy and the army, but all matters arising out of the war.
"We have here," the Premier said, "an arrangement such as never was possible

He appealed to the members of the House to take advantage of the oppor-tunity, which, he said, might never recur. There were features in the settlemen an, Mr. Asquith said, which none would can ve chosen voluntarily, and as a result can syndicate, composed of J. P. Morga & Co., the First National Bank, the National City Bank and Kuhn, Loeb & Co there had been some misunderstandings in the Cabinet. In view, however, if the agreement reached in Ireland and the importance of unity, the Ministers were willing to share the responsibility of sub-willing the responsibility of sub-willing the share the responsibility of sub-willing the responsibility of

ne parties or sponsors to this measure

Tribute to Irish.

In a few sentences the Premier re-lerred to the part which the Uister and other Irish regiments have taken in the fighting, and added There is no patriotic Irishman but has felt that these common sacrifices have

felt that these common sacrifices have has thus be created a new bond between them and scrap heap While not going into details, the Premier said the Irish Parliament would be composed of the members at present returned to the Imperial Par-liament, while the Appeal Court in Pub-lin would be appointed by the Imperial Executive. The government, Mr Asquith

The Premier explained that the bill The Premier explained that the bill was a provisional one, yet he added; "To relieve all possible doubt on that point, let me say, speaking for those who, like myself, look forward and are anxious for a united Ireland, that we recognize and agree that such union can only be brought about with the free will and assent of the excluded area."

As soon as the Premier concluded his statement he was piled with questions, but he referred all inquirers to the bill, which will be introduced next week.

In anticipation of the Premier's statement will be introduced next week.

In anticipation of the Premier's statement virtually all the members of the House of Commons, with the exception of those serving at the front, were in London to-day and went to the House early to obtain seats. The lights Na. As soon as the Premier concluded his statement he was plied with questions, but he referred all inquirers to the bill, which will be introduced next week. In anticipation of the Premier's statement virtually all the members of the House of Commons, with the exception of those serving at the front, were in London to-day and went to the House early to obtain seats. The Irish Nationalists, many of whom remained with their constituencies until the last moment to feel the pulse of the electors, were the earliest arrivals. The settlement already has been indorsed by the Nationalists and Ulster parties, but is opposed by a small section of the Unionists of England and south Ireland.

The terms of the agreement in general were known, but members of Parliament were anxious to learn what inducements had been offered to the Mar-
